

Pro Torsion Attends Technical Seminar

Saint-Jacques, March 5, 2009 – Two representatives of Pro Torsion are attending the «Current Issues in Designing Trailers» technical seminar presently taking place in Elkhart Indiana. This seminar, sponsored by the «Recreation Vehicle Industry Association (RVIA)», is to inform engineers, technicians and other stakeholders in the trailer industry as to new safety issues requiring certain consideration with regards to the design and manufacture of trailers for the utility, tent and travel sectors.
